

Silgan News: 10 oz HDPE Roval

Silgan proudly introduces the new Roval(round-to-oval) bottle as a part of its extensive mold available offering. The bottle creates an eye-catching shelf presence as well as being comfortable to hold and use. Designed to complement the innovative Seaquist One-Touch closure, this package offers the ultimate one-hand dispensing experience.

For more information on the bottle, please contact your Silgan Account Manager or for closure information contact Seaquist at 262-363-2820.
