

10 oz Personal Care Oval - Unit Cavity

Silgan Plastics is proud to present a new unit cavity offering for the personal care market. Designed to compliment Seaquist's 2" Symphony closure, the package is perfect for body wash, skincare, hair care or any other personal care products.

Looking for a new bottle without investing in molds? Silgan will purchase the molds and make this bottle a mold available offering for a customer commitment of one million units annually for a two-year period. Give us a call to discuss further.

For more information or samples, please contact your Silgan account manager.
