

10 oz HDPE Cylinder for Novel POC 2 Push-Button Flip-Top Closure

Silgan is proud to partner with MFV International to introduce the new stock 10 ounce HDPE cylinder bottles designed specifically to suit their newest addition to the POC line of closures. With gentle thumb pressure, the closure pops up for easy one-hand product dispensing and package re-close. This new extrusion blow molded bottle will be manufactured at our Franklin, Kentucky facility and will be available for sale at the beginning of the first quarter of 2007.

For bottle samples, please contact your Silgan Plastics representative and for closure samples, please contact Yoshiyuki Takahashi at MFV International at inquire@mfv-intl.com.
