

HDPE 100 ml Oval

Silgan proudly introduces the 100 ml bottle in HDPE. This container was designed to suit Seaquist Closures new “Camelia” disk top dispenser. The design is perfect for personal care products such as lotion, hand sanitizers, or hair care products. Unit tool samples are available. For more information on this product or to request samples, please contact your Silgan Account Manager or your nearest Silgan sales office.

For closure samples, please contact Seaquist Closures.
