

250 ml PET Niagara Round

Now in production, Silgan proudly introduces the 250 ml PET Niagara Round. This unique design will suite a wide variety of personal care products including hand soap, shampoo, conditioner, body lotion and more. This new PET round is ideal for a variety of different dispensers.

As with all items manufactured in Silgan's Penn Yan, NY facility, this bottle is available in order quantities down to one case if the item is in stock. For more information on this product or to request samples, please contact your Silgan Account Manager or Penn Yan customer service.

For closure samples, please contact Seaquist Closures.
