SUBJECT: PACKING REVISION - 4 oz DRUG OVAL

June 5, 2009 | #09-17

Please note that packing specifications for our 4 oz HDPE Drug Oval bottle produced in Mississauga, ON and stocked in Ligonier, IN have been revised as follows:

<u>Old Code</u>	<u>Color</u>	<u>Qty/Ctn.</u>	<u>New Code</u>	<u>Qty/Ctn.</u>
540260000S07	Natural	630	540260000S01	528
54026M100S07	White	630	54026M100S01	528

This change is effective for all new production starting immediately. Current codes will remain in effect until existing inventories are depleted. Please be aware that a shipment may contain both codes during the transition period. Prices for these items will remain unchanged.

A handwritten signature in blue ink, appearing to read "Dave Robson".
